Subject: [Non-DoD Source] Projected Schedule for Marine Relocation Consultation

This is the capturing of the discussion on 17 Jan on the schedule for the remainder of the Marine Relocation Consultation. I may have well forgotten someone so please share if I've left someone off. And let me know if there are any errors or modifications that need to be made.

Mary

Summary of schedule for remainder of consultation

- DON is trying for mid to late February for Day 0 for submitting their BA (Phase II Data Transfer)
- USFWS will prepare for expediting reviews during this timeframe
- In the meantime....
 - o Continue every other week phone call plus the following:
 - o Wed Jan 25 – Orchid discussion – DoN need to know the distance we will use for edge effect distance so they can be used in the BA
 - o Next Tuesday – Jan 24 – technical call on edge effects & translocations – want (b) (6) to participate in botany discussions
 - o Feb 1 & 8 – Butterflies – 8th normal time; 11-1 PST with (b) (6) on 1st
- Day 0 to 135
 - o Continue every other week calls throughout
 - o Other calls as needed, particularly between technical staff to clarify and ask questions
 - o In person presentation of BA by DoN to help with USFWS BA review in person sometime between day 14 – 21 (location TBD)
 - o Formal 30 day adequacy finding from USFWS
 - o Draft BO analysis presentation by USFWS in person sometime between day 40-45 (location TBD)
 - o Day 90 draft BO from USFWS (MMA) to DoN (Jeff)
 - o Adjust meeting schedule as needed
 - o Day 107 DoN comments back to USFWS
 - o Day 135 – Final BO
